Standard hollow core interior door leaf options

When choosing your interior doors, remember...

- Door leaf can be prehung in the frame of your choice, or prefitted for our wardrobe sliding system, cavity slider or bifold.
- Door leaves come in a range of standard sizes, but some styles can be manufactured to suit your particular needs.
- As an optional extra, doors can be pre-drilled to fit hardware of your choice.
- Doors are delivered to your location, on time, and damage free, guaranteed.
- The team at Doors 'n' More love to help you make all the right choices!
